**Project Scoring and Ranking Systems**

Notice is given that the Indiana Drinking Water State Revolving Fund (DWSRF) and Wastewater State Revolving Fund (WWSRF) Loan Programs have revised their Project Scoring and Ranking Systems. The Project Scoring and Ranking Systems are used to score each Project based on certain criteria, and then rank each Project on the Program's Project Priority List (PPL). PPLs comprise those projects for which applications have been submitted to the SRF Programs, as projects must be on the PPLs to be eligible to receive SRF financing. Projects remain unranked on the PPLs until preliminary engineering reports are submitted, at which time they are prioritized based on the DWSRF and the WWSRF Loan Programs Scoring and Ranking Systems. The PPLs may be amended quarterly as described in the respective Project Scoring and Ranking Systems.

Notice is hereby given that interested persons are invited to review the revised DWSRF and WWSRF Project Scoring and Ranking Systems and provide the DWSRF and WWSRF Loan Programs comments by June 27, 2008.

The Draft DWSRF and WWSRF Project Scoring and Ranking Systems are available at [www.srf.in.gov](http://www.srf.in.gov) and upon request.
